Who'll Be Aquarion's Next Environmental Champions?

Earth Day is right around the corner. That means it's again time to let us know who you think deserves the spotlight in the 2024 Aquarion Environmental Champion Awards program - its 14th year.

You can nominate an individual (adult or high school student), non-profit organization or business that's impressed you for the volunteer work they're doing to make Connecticut's environment better for all of us.

Adult, non-profit and business winners will be able to name a favorite environmental non-profit to receive a \$5,000 grant from Aquarion. The student winner will receive a \$1,000 award.

And don't be shy! Feel free to nominate yourself or another deserving individual or organization. Your good deeds will go a long way towards inspiring others.

Nominations have already started arriving, so submit yours by May 3. We'll name winners on June 1 at a special event at Connecticut's Beardsley Zoo. For more details on the Aquarion Environmental Champion Awards and to submit a nomination, go to aquarionwater.com/awards.
