

## ***Water Supply Update***

### ***Serving the Communities of Millbury and Oxford***

#### ***Weather Trends/Outlook***

Precipitation totaled 1.47 inches in November. This amount was significantly lower than the long-term average of 3.8 inches. This differentiates from data from the last twelve months as Millbury/Oxford has seen more precipitation than an average year for this region. Millbury and Oxford are currently at Drought Level 0 – Normal.

## U.S. Drought Monitor Massachusetts
